

## Ultrasonic washing machines **ALPHA**

**IBERKLEEN**

The **ALPHA** models are ultrasonic equipment designed for laboratories and professional-level cleaning of small parts.

With an ultra-compact design that optimises space utilisation, offering unique performance.

- ◆ Digital temperature programmer 0 - 80 °C.
- ◆ Timed and continuous ultrasound programming.
- ◆ Drain tap.
- ◆ Forced ventilation.
- ◆ 5" vertical touch screen.
- ◆ Digital configuration encoder.
- ◆ Manual end-of-day cover.
- ◆ Basket for placing parts.
- ◆ Digital temperature sensor.
- ◆ Heat-insulated coating.
- ◆ Temperature self-protection.

Equipment designed for the **thorough cleaning** of small parts.

Can be used 24/7.

Single-piece structural frame.

**CARRYING HANDLES**

The handles and compact size make it easy to handle and place precisely in different areas.

**CONTROL SCREEN**

5" vertical touchscreen with encoder for intuitive configuration of functions.

**LEVELLING FEET**

Adjustable legs and levellers made of resistant, anti-slip polymer.

**DISCHARGE VALVE**

Drain valve to facilitate emptying and management of used liquids.

| TECHNICAL DATA/<br>MODEL | ALPHA 5                  | ALPHA 15            | ALPHA 35           | ALPHA 60           |
|--------------------------|--------------------------|---------------------|--------------------|--------------------|
| Tank capacity            | 5 litres                 | 15 litres           | 35 litres          | 60 litres          |
| Ultrasound power         | 200 W                    | 400 W               | 800 W              | 1200 W             |
| Power heating            | 190 W                    | 380 W               | 1000 W             | 2000 W             |
| Useful measures          | 200 x 160 x 130 mm       | 330 x x180 x 260 mm | 430 x 240 x 310 mm | 580 x 330 x 310 mm |
| External measures        | 320 x 270 x 360 mm       | 500 x 315 x 500 mm  | 580 x 355 x 550 mm | 800 x 480 x 600 mm |
| Material                 | Aisi 304 stainless steel |                     |                    |                    |
